

# THE BUILDERS CLUB

The Builders Club is a voluntary group of laity and clergy who live out their commitment to mission by responding to a "call". The club has only two calls each year! It gives each of us an opportunity to be in ministry with other churches on the District. The Club amasses many "smaller" gifts from all across our District, in order to present a "big" gift to a church building project. As of 2006 the Builders Club has provided \$125,578.00 in funds to assist 15 different churches in our District.

For only \$40.00 or more a year you can help existing churches who have great demands being placed upon their physical facilities and who need financial assistance to meet their needs.

The recipient of the Spring call is Mt. Carmel UMC in Clarke County. Mt. Carmel's building dates back to the Revolutionary War. They have been using an outdoor facility due to the lack of bathrooms. They are constructing a fellowship hall - complete with bathrooms, a kitchen and a meeting space. The congregation is committed to this project to provide a welcoming environment for worship, Christian education, and Christian fellowship.

If you are not a member we hope that you will prayerfully consider joining and pledging \$20 or more to become a member. If you are a member we hope that you will consider continuing your support of the Builder's Club. We have provided the form below to help you become a member. Please return the form with your check payable to the **Winchester District UM Church**. Our address is 21 South Kent Street, Winchester, VA 22601. *Your church may one day be the recipient of the Builders Club!*
